 *Belated Happy New Year to Everyone. Welcome to our January/February 2019 Newsletter.*

### 2019 Anniversary Run

As you will see in Miscellany, a number of Centres are planning various events around the UK, making for a varied and interesting programme for all members. We are also planning events here in the far South West. Our first one was the 2019 Anniversary Run on Sunday 13th January. Nine cars were in attendance and all met at the Punchbowl and Ladle pub at Feock, where many social exchanges took place and the main feature was the bacon rolls, what a perfect way to start the day !

Although tempted to have another one, it was time to depart and we left in convoy towards Carnon Down. Driving on through Perranwell, out towards Stithians and enjoyed a very scenic drive around the Lizard and Helston. The weather was kind enough not to deposit precipitation all over us, and all cars, with the exception of one (wimp), had their tops down. Some comments received at the end of the run was how cold it was...although it was nice and warm in the car with the roof up !

Continuing on through Marazion, we had a distant sighting of the Mayor's procession with the usual brass band accompaniment, and so through Penzance outskirts via Heamoor and onto Zennor Moor. Bypassing St Ives via Lelant through Hayle and eventually finishing at the Rosewarne Manor for a well received carvery lunch.

Every year, Tinmog awards trophies for "The most Enthusiastic member" during the previous year, "The Most Supportive Partner" and the "Mileage" trophies. One member was present on this event and the trophy for the **Most Supportive Partner** was awarded to **Moyra Steel**. The award being presented by our Centre Secretary. The other two trophies will be presented at a later date, when their recipients will be present.

A huge vote of thanks go to **David & Doreen George** for the organisation of the day's event, for the planning, production of route information and liaison with the two establishments for refreshments/meals.

## Cape to Cape Tour 2019

In May this year 43 classic cars will be finding their way from Cape Trafalgar in Spain to Cape Cornwall over a period of nine days. This will be the thirteenth in a series of similar events over the past sixteen years, raising money for Macmillan Cancer Support. Competitors follow a challenging route across country and obtain sponsorship for their efforts.

On Saturday January 19<sup>th</sup> a taster event for this was held following a route through central Cornwall. Several past and present members of Tinmog took part. There are similarities to a Tinmog Run, but much narrower lanes are used as entrants follow the route themselves, setting off at one minute intervals. Despite wet conditions in the morning, spirits were lifted at a warming coffee stop at The Lost Gardens of Heligan, and a good lunch at

Lanhydrock Golf Club. The afternoon sunshine spurred us on around the fringes of Bodmin Moor to the finish in Truro.

Roger and Shirley Hoskin, Graham and Stephanie Frost and Paul and Marjorie Edwards took part on the 19th and will be on the Event in May. We will let you know how we fare!
